

2-16-99

~~gave Maria v.B flying lessons but can't~~

PA 11 (Piper model - ^{remem. any thing!})

later version of cub) -

training airplane

65 hp - (next step up:

Cessna 150 (100 hp.)

- Rocket City Air Activities @ elec. starter old airport (Hsv.)

She may have flown
2nd Poss.

he can't remember much abt.

Mrs. v.B - has gone blank -

> usual time was abt. 10 hrs. flying time before soloed.

> doesn't remem. if she was typical, slow, or fast!

> will ck. his old flying logbooks to see if can find Maria records, & will call me if he does!

(took my name & ph. no.)
